To the convenience
of BELD BillPay

BELD BILLPAY

Our online payment system allows you to pay your BELD electric, internet and phone bills even faster, easier and more securely. As a registered account user, you'll be able to see your payment history and past billing statements. You'll even be able to view and pay multiple accounts at once, and sign up for paperless billing and/or auto-pay so your payments will be handled automatically going forward.

By switching to electronic bills, the average household can save 6.6 pounds of paper every year. If 20 percent of all U.S. households made the switch, the collective impact would save more than 1.8 million trees. Of course, more gets saved besides trees when you manage bills online. You also save time by eliminating the clutter of paper statements and the need to write and mail checks.

Get connected to the convenience of online bill paying by signing up at www.BELD.com.
